

Comets (Cocoon)

By the meeting of the roads.....
I just fell to my knees
When I knew.....I had to make a choice
It's a shame you said.....
That I may never know
How farI can sometimes go
How far..... I can sometimes go

*While my boat..... is drifting away
By the shore..... of Miami Bay
I'm still trying to figure out
the end of what I was
Starting to saaaay*

And you found all the footprints
That I left In the lawn
When I spiedon you... every night
And I wish there was a secret
that you said in your sleep
Just a word that I could keep.....
Just a word that I could... Keep

*And while my boat is drifting away
By the shore of Miami Bay
I'm still trying to figure out ...
the end of what I was....Starting to saaaay*

And I wish I was a comet.....to crash
on your feet.....Just to be remembered
And I wish I was a cometto crash
at your feet.....Just to be remembered

*And while my boat is drifting away...
By the shore..... of Miami Bay
I'm still trying to figure out
the end of what I was....Starting to saaaay
Starting to saaaaay.....Starting to saaaaay
Starting to saaaaay.....yeah*
